My top is too tight. And my panties. Whew, now that they're pulled up or off completely, I can get down to business. The business of sucking your pole. And your balls. I'm not a big fan of the missionary position, it squeezes my boobies, but any other one will do just fine. Is there one you haven't tried?

# the view was spectacular for us balcony voyeurs

Rachel, my wife, and I decided to go to one of those couples' resorts in the Dominican Republic for our last anniversary. We've been married for ten years, but she wasn't my first, nor I hers. It was our third night there and we had just finished a late dinner. We went back to the room, which, like many others, overlooks the pool area.

The pool was deserted except for a couple of young ladies still laying back on the beach chair. As I watched, one got off her chair and went to the other's who seemed to welcome her by spreading her legs open. The first girl knelt down and pulled her friend's bikini bottom off and started licking her pussy. I rubbed my eyes to be sure I was seeing straight.

I called to my wife to come see this. She came out to the balcony and took a look. She turns around to walk back into the room, but sneaks right behind me and slides her hand down my loose pajama pants. She

starts stroking my semi-hard cock and brings me up hard immediately then lets go for a moment to pull by jammies just below my butt so my cock could free itself.

She grabs it again from behind and starts to stroke me harder. She whispers in my ear that I should keep watching the girls. After a few minutes I hear one of them moaning as she is cumming, and then I let a moan out as I cum right after her. I spew

it over the balcony and look down hoping I didn't hit anyone with it. Now that was fun!

— Steve, Atlanta

## loving lovely lady lovers

I'm finally getting around to writing you a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I

*My wife and I love going to these all inclusive resorts. There's something there for everyone including enough naked people to satisfy any red-blooded voyeur.*

especially like the girl-girl couplings. It's nice to see sexy people doing things most of us only can dream about.

To that end, I just want to comment about those two super sexy felines in the pictorial, Taryn and Jeanie Marie. I love lesbian women and those two were the cats meow. The long hair, the long fingernails, the long tongues, that all made me crazy hot. Over the years, I've stroked off many a time to each issue, but this one has to be right up there with my highest numbers.

By the way, if there's any way that I could get on a photo shoot, especially a girl-on-girl shoot, please let me know. I'd pay my way there and even foot the hotel bill. I've enclosed a self-addressed stamped envelope to make it easy for you.

— Milan, Tulsa

## what a short trip it's been

It's been awhile since I written to any magazine about my sexual experiences. But this one happened a short while ago and I love to tell and retell the story.

It's about an old girlfriend that I reconnected with since we saw each other at one of these 'Golden Oldies' music concerts about a year ago. Since her schedule and mine don't permit many hook-ups, we get what we can.

We decided to meet in San Diego for another concert and it so happened her flight schedule matched mine, and we were able to connect in-person. Since she had an early flight tomorrow, I'll keep this brief.

I picked her up at the airport after her flight. We had a very warm welcome, embracing and kissing briefly before we departed the terminal. Holding hands while managing luggage was a bit of a challenge, but doable. We got to rental car and headed for the hotel. Since it was pretty early, we enjoyed a fair amount of time together.

When we got to the room, we dropped our luggage on the floor, and she collapsed on the bed because her flight was a red-eye from Boston. She patted the comforter, inviting me to join her. It was great! As I joined her, we resumed our

## 50+ #99

I'm writing to express my pleasure and displeasure at the Nikki pictorial in your *Hot MILFs* magazine. First, she is smoking hot and seems to like taking it in the ass – which is a good thing. The two guys put her through some nice positions where we could see her sucking cock and her butt being fucked. However, don't you guys recognize a great looking woman when you see one? Yeah, Katin was good as a cover model, but Nikki would have been great, too.

I know you probably look through a lot of pictures of naked women and it's gotta be a tough job. But if you guys ever need help picking cover models, or any models for your magazine, just pick up the phone and give me a call. I'd be happy to come and give you some pointers.

— Colin, Dover

hugging and touching. After momentary kissing and clothed embracing, I began unfastening her blouse. While she looks great in clothes, she looks just as good out of them. As clothes were shed, her creamy skin became more visible. Her lovely areolas were revealed, their size perfect for her breasts. The nipples jutted straight out, pointing at me, egging me closer.

Immediately my hands and mouth clashed as each wanted to engulf her lovely breasts. I found the combination of hands and mouth to be better partners than adversaries, so I engaged them both together. The more I enjoyed her breasts, the more she seemed to respond. As her breathing became deeper and more rapid, I decided to slide one hand inside her skirt and I met no resistance as I parted her thighs.

Making contact with her velvet pussy was delightful. Since her trip was long, she selected cotton panties to cover her delightful pussy and ass cheeks. As I pressed and stroked on her pussy, she writhed even more under my hand. Her lower back arched in seeming attempts to meet my hand.

It was time to start pulling things down and off, I stripped her and she denuded me. All our clothes ended up on the floor, strewn in no particular form of neatness.

Now her beautiful pussy was exposed with soft tufts of hair neatly trimmed. There's just something right about a bush being full but neat. Even though there was springy hair, there was also a slick track down the middle, glistening in the soft light of the room. I was not about to miss the opportunity to indulge, so began stroking up and down - then

about down there for quite some time. Faster breathing was matched with a slight oozing from her pussy. She creates a great deal of moistness between her legs, and I delighted in the sight and smell of it.

My hand was soon replaced by my mouth. I love to lick a moist pussy. She asked me to move so she could rub my cock. As I licked, sucked and nibbled at her pubes, she began to stroke, suck and lick at my member. We became lost in our oral pleasure, with all the joy of the sights, sounds and fragrances.

in and out of her amazing lady parts.

Her clit is very responsive. Since I am very focused on bringing a woman pleasure, I dallied

We didn't end up fucking each other that morning because our oral pleasuring was so intense. We were both out of control. She came first, and I followed shortly thereafter.

We collapsed in a heap after our climaxes, holding each other. We began to drift off and slept for a couple hours. When we got up we showered together, spending a little extra time to be sure our spacial parts were very clean. We were going to spend a lot of time and energy down there later.

We helped each other dress, then headed out for dinner and the show. We fed each other, and touched fingertips frequently. After the show, we returned to the room. We were naked before we even hit the bed. She pushed me down and climbed on top in a torrid sixty-nine and we sucked each other to climax, swallowing the other's cum. Then she rolled off and got on all fours.

I mounted her from behind and she took my entire cock balls deep. I pounded her hard and she took every thrust. We fucked until three in the morning.

As I grabbed the bags, I saw her looking at the screen of my laptop computer, making sure I was giving accurate details of our rendezvous.

—Hank, Ontario, CA

A blonde woman with her hair pulled back is posing in a black lace bodysuit. She is looking towards the camera with a slight smile. The background is split into a blue section on the left and a pink section on the right. The text is overlaid on the blue section.

When my photographer called me to say I was selected as the cover model for this issue, I was pretty excited. I hope you like the photos. I must say I had a great time during the shoot and I know my expressions show it. Especially when I got that great big cock shoved into my ass. It stretched my mouth so I know it stretched my ass, too.

I've waited

Guess what  
my best  
talent is?

I'm kinda new to the business. I was a housewife for many, many years and then lost my hubby. I had some retail jobs during my forties, but found them unfulfilling. Then one night, this guy I was seeing brought home a porn video and it really turned me on. I was shocked at how much fun it was. He got the best fuck of his life that night, and so did I!

# a little story about zack & shian

nothing  
to do  
on this  
fine  
afternoon,  
except  
each  
other

---

Zach loves his wife, Shian. She loves him, too. They've been married for more than twenty years and it has been a good marriage. They raised three wonderful children. They have two cars in the garage. They've accumulated many friends, and a comfortable nest egg. All that came pretty easily compared to maintaining a satisfying sex life. But they try.

Zach and Shian are lying in bed together. Zach just got out of the shower and Shian is wearing nothing but panties. They are next to each other, both on their backs.

Her knees are elevated, and his hand is on her thigh. They are just chatting about nothing, as always. They have nothing to do. They have all day to themselves with nothing to do.

Shian moves her body so she is closer to his side, her hand drapes over his chest, her left leg over his. He keeps his hand between her thighs, and she snuggles her face into his neck. She smells his clean skin. Even though he just showered, she thinks he still smells like himself. The clean, comforting smell his skin has always had.

Together, they lie there quietly. She strokes his chest lightly, and feels his hair beneath her fingers. She adjusts her face, slightly, her lips against his neck. She kisses softly, moving slowly up, towards his ear. She kisses his cheek, and he turns his face towards her. They smile, and their lips meet. Soft at first, just brushing. Her hand moves up from his chest and meets his cheek as their lips continue to dance. Their tongues run over each other, her grip on his cheek pulls him in closer. His hand between her thigh moves up.

She lets go of his cheek and moves her hand down his body, exploring his tight belly and settling her fingers around his cock. She runs her index finger down his shaft, and back up again. Her hand grips the head and squeezes it gently. Her palm runs down his cock, cupping his balls and rubbing. As they kiss, he moans into her mouth. She knows he doesn't want to take it slow. She reminds him that the day is theirs to do with as they choose.

Shian takes her hand away, releasing his lips and lying on her back.

She smiles at him and beckons him to come towards her. He moves closer, kissing her again, his hand between her thighs pushing them apart. His hand moves up her body and finds her throat as he kisses her harder.

He moves down, pinching her nipple between his fingers, running his hand across her chest as he places his thigh against her crotch. She pushes down on him, moving her hips up and down, grinding against him. He focuses on one nipple, then the other. He kisses her neck as she moans.

His hand moves down, once more, brushing the line of her panties. His mouth continues on her nipple, biting gently, flicking over her, flattening across her. He moves his leg off her as his hand slides lower. He traces the inside of her thigh with his fingers, up and across her knickers, up her other thigh and back down. He pauses over her pussy, moves her panties aside and feels her warm desire cover his finger tip. She throbs at his touch.

He grasps the waist line of her panties and pulls them down. She kicks them off, and she lies bare before him. Her cleanly shaven vulva awaits. His fingers glisten as he runs them back up her stomach, leaving a trail. He traces his fingers over her lips before pushing them into her mouth, allowing her to taste herself.

She sucks them lightly, her tongue running over them. He moans into her chest. He rolls onto his back again, grabbing her as they go, pulling her on top. She straddles

his lap, and he feels her soaking wet pussy on top of his cock. If she moves back slightly, he could enter her easily. They could fuck and cum together. But she wants more. She wants it to last.

She rubs herself against him, wetting his shaft and balls. She kisses his chest as her hips rock, her clit beginning to throb at his touch.

Shian wants to cum. She is close but chooses to delay it. She can wait. She moves her mouth down his body, licking his stomach, kissing his hips. Her mouth finds his balls first; her tongue laps at them, tasting herself once again. Up, across him, at the base of his shaft, she licks. She flattens her tongue, and her head moves up, up his perfect shaft, pausing at the head of his cock.

Her hand wraps around his base and pushes down as her mouth surrounds him. Her spit runs

down; she is so eager, so happy to have him. She loves the taste of his precum. It makes her work harder. She never goes quickly, not like this. She wants him to go to the edge and back. She wants him to beg her for it.

She stares up, her big blue eyes looking deep into his dark brown ones, forgetting herself for a mo-

ment; she loses herself there. She sticks out her tongue and rubs his head against it, her lips trailing down him, kissing, worshipping his cock. Their eyes lock. His hand grabs her hair and pushes her onto him one final time. Down his shaft, taking him deep, feeling him in her throat. He pulls her off and gasps. She crawls back up his body. She pauses for a moment and kisses his lips, before continuing the climb up and straddling his face.

She is perched just high enough to tease his mouth. She stares down

at him and runs her hands through his hair. He smiles up at her, letting his tongue dart out and flick her clit. She throws her head back and presses herself onto him, moaning. He buries his tongue deep inside her, thankful that he finally gets to taste her. His tongue is eager and pushes deep. She moans louder; this is her favorite.

His tongue is like magic, moving over her, inside her, circling her clit. She grabs at her breasts and pull at her nipples. He cups her ass and spreads her wide. She has to grip the head board as her legs begin to shake. She was close before, but this is almost too much. She reluctantly pulls herself off once again.

She moves back down his body, pressing her weight on top of him, their chests meet, their lips connecting once more. Her hands lock around his face as she kisses him, deeply. His mouth is home; she wants this to last. This feeling. Her pussy rubs against his cock, wetting the head once more. She moves her hips, and feels him slide deep inside her. She moans loudly as she pushes herself up, her hands on his chest. Her hips bucking backwards and forwards, rocking to the rhythm of sex.

She rides him, feels him deep inside her, feels him pushing into her void. She leans back, and his hand slides against her stomach, the other on her hips, grasping her. She's going to make herself cum. She feels it. She explodes around his cock, screaming out. Her juices flow down his shaft, over his balls and onto the mattress. The wet spot grows as she flows.

Beads of sweat line his forehead as he watches her convulse on top of him. He exhales deeply but he's not finished. It's his turn now. He grabs her hips and flips her over and turns her round. Her pussy is still throbbing as he pulls her ass into the air and runs his cock over her slit.

He teases her again, before pushing himself deep inside her once more. His hands grab at her hips as he pulls her on and off his cock. He pounds her hard. They hear nothing but their mangled breathing and moans. He wraps his arms under her and pulls her up, against him. The sweat on his chest meets her back, and he holds her close, driving up inside her. She presses down hard and reaches her hand down, brushing her clit, finding his balls and rubs them.

Zach shoots deep inside her. He fills her with his cum, trying to catch his breath, biting down on her shoulder. He pulses inside her, unloading. His arms grip her close

as they come down, pressing their skin together. Their combined juices soak the mattress even more.

They both laugh and collapse on the bed. He lies on his back. She finds her place against his neck. Her hand crosses his chest again, but this time she hugs him tight.

He faces her, and they kiss. His arm atop hers, gripping her. He runs fingers through her hair. It is something she loves after lovemaking. It is soothing and sensual.

The roll together into a spoon that will last for a couple hours. They'll sleep, shower and do it again. But this time they will find another spot in the house. Maybe the bathroom. Perhaps the living room or kitchen. Zach prefers his lunch on the patio by the pool. Followed by a long slow blow job as he sits on it's edge and Shian splashed in the water.

Today, it's raining. They decide to stay inside and do the best they can. Zach and Shian.
